Dear Parent/Carer

As we approach half term we would like to thank parents and carers for your ongoing support during these uncertain times. We would also like to congratulate the students on how well they have adapted to the new systems and structures that have become the 'new normal' in school.

We would like to remind you of our expectations with regards to specific items of uniform. These details can be found on page 2 of the Student Planner and on our website at the following link:

<https://www.dartonacademy.org.uk/uniform-1>

As a reminder, our expectation is that skirts are knee length. The expected style is a traditional straight/pleated skirt and not skirts that's are tight and stretch. If students return in such skirts then we will expect them to borrow uniform items from school that do meet our expectations.

As winter approaches can we also remind you that black v-neck jumpers or black cardigans may be worn under the blazer. As we will need to continue having windows open to keep classrooms well ventilated according to Health and Safety advice, a cardigan or jumper would be advised.

We are looking forward to our Virtual Parents' Evening when we return in November and you should have received information about how this will work yesterday. Any problems please do hesitate to get in touch.

Yours faithfully

Lucy Woodhouse
