

14<sup>th</sup> June 2022

Ref: PCA

Dear Parent/Carer

I hope this letter finds you well and that you and your child enjoyed the recent half term break and Jubilee Weekend.

I am writing to you with further details around the transition process and requesting you to complete the forms enclosed to ensure that your child receives their free standard uniform pack.

I am currently in the process of visiting your child's primary schools and meeting with the students and teachers. I look forward to welcoming you for the transition evening and them for their transition day on 5<sup>th</sup> July.

#### **Uniform**

You may remember that one of the benefits of sending your child to Darton Academy is the fantastic uniform bundle that we provide free of charge. You can find more information about our uniform expectations on our website [Uniform - Darton Academy](#).

Included within the uniform pack is a: Delta blazer, tie, pack of 2 shirts, trousers or skirt, long sleeve PE top, short sleeve PE polo shirt, PE shorts and PE socks. Other uniform items required should be purchased from the shop considering the guidance on our uniform policy.

Please find enclosed an order form and a Delta Measure guide to help you order your child's free uniform. Before completing the form we recommend that you watch the "How to measure your child" video to ensure that you are as accurate as possible when taking measurements. The video can be found by scanning the QR code on the order form.

We ask that you then return your completed form to the Academy by **Tuesday 21<sup>st</sup> June 2021**. This will allow us to ensure that all students will receive their uniform packs.

Should you have any questions please do not hesitate to contact school using the [info@dartonacademy.org.uk](mailto:info@dartonacademy.org.uk) email address.

Yours sincerely

Mr Carmody  
Assistant Principal

Plain Black socks

### OPTIONAL

Delta Track suit bottoms

Delta Tracksuit top

Football boots

## Other information

Outdoor Coats – Coats should be plain and have no large logos. Coats should be removed as soon as students enter the Academy.

# Delta Academies Trust Sizing Guide

We have provided a guide to help you to choose the correct size for your child's uniform. You will need a sewing tape measure to make accurate measurements. Please note all information provided on measuring is only a guide to assist you in your choice.

## Find the right size: Boys

### (1) Neck

Measure the child's full neck circumference where the shirt would naturally sit. Please allow 2 fingers to fit between the neck and the tape measure this is the growth room. Always allow a little growth room in your choice. This measurement is for the shirts.

### (2) Chest

Measure the child's chest under the arms at the fullest part of the chest. The measurement is the full circumference of the chest. Allow your child to breathe in and take this measurement. We would suggest you may go one size up from your measurement to allow some growth room. However you may consider going up 2 sizes for extra growth room. This measurement is for the blazer and PE tops.

### (3) Waist

Measure around the child's natural waistline, roughly two fingers-width above the hip bone. The measurement needed is the full circumference of the waist; the trousers do have adjustable waist bands so you can make slight adjustments to fit the waist. This measurement is for the trousers, PE shorts and tracksuit bottoms.

### (4) Inside leg

This measurement corresponds to the length of the trouser. Measure from the crotch to the bottom of the ankle bone. Remember that they will be raised slightly when wearing shoes, and that they need to be long enough to be comfortable when sitting.

## Find the right size: Girls

### (1) Chest

Measure the child's chest under the arms at the fullest part of the chest. The measurement is the full circumference of the chest. Allow your child to breathe in and take this measurement. We would suggest you may go one size up from your measurement to allow some growth room. However you may consider going up 2 sizes for extra growth room. We also suggest choosing the next size up blouse from the blazer you have chosen. This is generally accurate. This measurement is for the blazer, blouse and PE tops.

### (2) Waist

Measure around the child's natural waistline, roughly two fingers-width above the hip bone. The measurement needed is the full circumference of the waist. This measurement is for the skirt, trousers, PE shorts and tracksuit bottoms.

### (3) Inside leg

This measurement corresponds to the length of the trouser and is not required for the skirt. Measure from the crotch to the bottom of the ankle bone. Remember that they will be raised slightly when wearing shoes.

## Darton Academy Year 7

## Girls Uniform

We will be providing each year 7 a Delta uniform pack. We require the below measurements from you and our expert team will collate your pack and send it directly by courier to your provided address. We have supplied you a tape measure to assist you in gaining accurate measurements. The Delta year 7 pack contains the following: 1 Delta blazer, 1 twin pack of long sleeved blouses, 1 pair of Delta trousers or a skirt, 1 pair of Delta PE shorts, 1 Delta PE polo shirt, 1 Delta long sleeved sports top, 1 pair of PE socks and 1 Delta clip on tie.
