Dear Parents and Carers

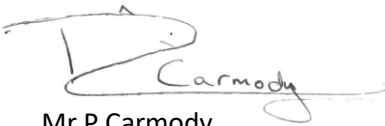

Darton Academy Car Parking

With the health and safety of our students in mind we would like to remind you about our parking expectations.

The academy car park is a one-way system and has a 5 miles per hour speed limit. All vehicles must be parked in designated bays to allow the buses and other users a free flow around the one-way system. Vehicles must not park on pavements or corners as this causes a hazard to other users and to our students.

I'm sure you will all agree that the safety of our students and your children is paramount, and we thank you for your cooperation in this matter.

Kind regards

A handwritten signature in black ink, appearing to read 'P Carmody', is written over a light blue horizontal line.

Mr P Carmody
Assistant Principal
