10th November 2023

Dear Parents and Carers

After a brilliant Latin trip at Education Exchange, your child has been asked if they would like to join the Latin enrichment, which will take place as part of our vast and exciting enrichment opportunities offered in our academy. The Latin enrichment is calendared to begin in the new year with the date to be confirmed once we are clear on pupil participation. As part of their participation in this programme, we will offer continued personal development opportunities and trip experiences to support their understanding of subject material.

We are collating pupil numbers as we hope to also offer these pupils a further opportunity to access and complete a Latin GCSE as an additional qualification during their key stage 4 study. This qualification will of course set your child apart from their peers across Barnsley and will contribute to a fantastic Post16 application and beyond.

Should you have any questions about the Latin Excellence programme, please do not hesitate to be in touch: info@dartonacademy.org.uk

Yours faithfully

Mrs Hannah Gregory
Assistant Principal
