23<sup>rd</sup> November 2023

Dear Parents and Carers,

I am delighted to invite your child to the Science Mavericks event. This is a bespoke event planned specifically to challenge our Year 9 students. During the day, students will explore a range of concepts across biology, chemistry and physics that are part of their specification and designed to be challenging and engaging.

The event will take place on **Thursday 7th December** at the Education Exchange – Spawd Bone Lane, Knottingley. Students will depart from the Academy at **8.25am** and leave the Education Exchange at **2:30pm**, returning to the Academy at **3:15pm**. The cost of travel and the event has been fully covered by the Academy and therefore there is no cost to the student. All students will need to attend in full school uniform and lunch will be provided.

I hope that you can support your child attending the event. Please complete the slip below and return to your child's science teacher.

Kind Regards,

Alica Rushforth  
Head of Science

-----  
I give my permission for \_\_\_\_\_

to attend the Science Mavericks event on Thursday 7th December 2023 at The Education Exchange.

Signed: \_\_\_\_\_ (Parent / Guardian) Date: \_\_\_\_\_
