11<sup>th</sup> January 2024

Dear Parents and Carers,

I am writing to confirm the arrangements for our Latin Excellence programme which is officially beginning in the new year. Classes will take place on Thursday afternoons as part of our expansive enrichment programme. Mrs Joys will teach the lessons.

Attendance to the enrichment will be recorded as part of our commitment to enter pupils into a Latin GCSE when they are in y11.

The Latin Excellence programme is open to all pupils. Please could you discuss this enrichment opportunity with your child and encourage them to attend. The Latin Excellence enrichment will give your child a foundation and knowledge of classics, Roman civilisation, Greco-Roman history, mythology and etymology. Learning Latin will improve not only your child's functional literacy but also their cultural literacy.

We are really excited about this opportunity and the enrichment opportunities that will follow as the course progresses.

Please complete the reply slip below so that we know how many students to collate resources for.

Yours faithfully,

Mrs Hannah Gregory  
Assistant Principal

---

**Please return this slip to Mrs Joys or Mrs Gregory.**

I do/do not\* give permission for my child to attend Latin enrichment.
