11 March 2024

Dear Parents and Carers

**Re: Comic relief**

Over the last term our Junior Leadership team have been working on plans for our next charity events. Over the next two weeks we are going to be holding several fundraising activities to support Comic Relief which this year is on Friday 15<sup>th</sup> March.

There are several ways we will be raising money. Firstly, on Friday 15<sup>th</sup> March we will be holding a 'lucky dip' during lunchtime. Students will be able to take part for 50p to try and win a small prize. We are also asking students to take part in 'Design a red nose' competition. Students are asked to design a red nose with a winner from each year group. Red nose designs should be handed in to Mrs Stephenson on Friday 15<sup>th</sup> March with the winners announced the following week.

Our final fundraising activity will be on Thursday 21<sup>st</sup> March. On this day students are invited to wear non uniform for a £1 donation which can be placed in the fund-raising buckets on the blue line as they arrive at school. A polite reminder that our normal expectations for jewellery and makeup still apply, and students must remember to bring their planners and equipment needed for the day.

All monies raised over the next two weeks will be donated to Comic Relief. We would like to thank you for your support in the charity events over this academic year, it is hugely appreciated.

Yours sincerely

Mrs K Stephenson  
Associate Assistant Principal and CTL Geography
