Dear Parents and Carers

**Re: iMedia Qualification workshop**

Your child is currently completing the OCR iMedia qualification. This qualification is split into two parts. An exam which equates to 40% of their final mark and coursework which is 60%. I am writing to inform you that as part of their coursework your child is currently working on their R097 assignment, this unit is worth 35% of their coursework. The deadline for this is quickly approaching and we need this to be completed and handed in by 26 April.

To support your child and to maximise their course work mark, we are offering some enrichment time to help learners meet the deadline to complete this assignment.

We are running an after-school coursework session for Year 11 on **Thursday 14 March starting 2.30pm until 4.30pm.**

We are also offering a full day intervention opportunity for your child during the easter break on the **Monday 25 March.** The sessions will run from 9.00am to 12.00pm and 12.30pm until 15:00pm. Students will need to bring their own packed lunch on this day and will be expected to stay on the school premise during their lunch break.

Please can I ask that you help your child achieve the best possible grade in the exam by:

- Ensuring they attend these sessions.
- Ensuring your child revises frequently over the Easter break.
- Directing your child to look at the five main themes that could be tested in the exam: mind maps, scripts, mood board, visualisation diagrams and storyboards.

To confirm your child's attendance please email [info@dartonacademy.org.uk](mailto:info@dartonacademy.org.uk). If you have any further questions, please do not hesitate to contact me on the above email address.

Your sincerely
