

26 April 2024

Ref: VHO/DS

Dear Parent and Carers,

We are pleased to inform you that your child has been selected, after showing interest, to become one of our Year 7 Peer Mentors to support Transition 2024 with our new cohort of Year 6 students coming to join our academy this September.

Your child will be involved in a weekly session every Wednesday for 1 hour from Wednesday 17 April to Wednesday 22 May with an external agency called the YMCA to complete their peer support programme, learning new skills on how best to support students in the academy. Once the programme has ended this half term, they will then be ready to support our Year 6 Transition Day in June.

Once again, I would like to congratulate your child on their achievement and look forward to them supporting me and staff in the academy in welcoming our future students.

Yours faithfully,

V. Houghland

Miss V Houghland
Year 11 Learning Manager
